

# AM.STRIP.1 & 2 Series Blades

Used in the following *Feintechnik Rittmeyer (be-ri)* machines:

AM.STRIP.1 | AM.STRIP.2

## AM.STRIP.1 and AM.STRIP.2 Strip Blades

Mechtrix offers stripping blades for both the AM.STRIP.1 and AM.STRIP.2 machines that are made to precision standards from specially selected tool steel to insure optimum performance.

To best select the appropriate style and size blade for your specific AM.STRIP.1 or AM.STRIP.2 wire processing application:
